Mental Health	<ul style="list-style-type: none"><li>• Should be taught in Health and Wellbeing</li><li>• Topics such as depression, stress and anxiety – how to deal with it, how to spot the symptoms and how to help others with it</li><li>• More information should be given about where to go if you're having problems with your mental health</li><li>• Pupil support and one-to-one chats are already in place, but more could be done</li></ul>
4. Any Other Business	<ul style="list-style-type: none"><li>• The girl's changing room lockers need to be fixed: many can't be opened or don't work</li><li>• Many of the locks on the doors in both changing rooms are broken</li><li>• Many of the showers should be replaced with changing rooms as the showers aren't used and can lead to accidents such as the shower turning on and drenching clothes</li><li>• People are often still in the changing room from the previous period, meaning that it can be hard to find a cubicle.</li></ul>
