

St Mungo's High School – FINAL S2 into S3 Course Choice Form 2019 – 2020

Please return a signed, completed copy to the office by Monday 11th March 2019

The S2 into S3 Curriculum Booklet has been placed on the school website and emailed to parents

Possible career pathway: _____ Any compulsory subjects for that pathway: _____

We are keen for our pupils to study a wide curriculum which allows them to progress in the subjects they need for possible careers as well as studying subjects which they excel in or enjoy. All subjects are of equal value.

Pupils must choose a subject from each choice column by ticking next to the subject. Then please choose two reserve subjects (from any of the columns) in case your first choices are not possible due to uptake or staffing. Every effort will be made to ensure as many 'first choices' as possible are met.

Core subjects – all study these	Choice A	Tick 1	Choice B	Tick 1	Choice C	Tick 1	Choice D	Tick 1	Choice E	Tick 1
English	Biology		Geography		Accounting		Art & Design		Art & Design
