## Support during the course choice process

Pupils have been supported in making their S4 course choices during their weekly Personal and Social Education (PSE) lessons. Additional resources are also available on our school website and included in the 'S3 into S4' Curriculum Booklet 2020-2021 which has been emailed out.

Key websites which are recommended for use during the course choice process are [My World of Work](#) and [Planit Plus](#)

If parents/carers feel that they need further advice or guidance on S4 course choices, Pastoral Heads, Pupil Support Staff and Mrs Farley are available to discuss further. Please contact the appropriate person at school.

***Please note that the school will endeavour to provide preferred courses but may ask pupils to select a different subject due to staffing, timetabling or subject uptake. Some pupils may be advised to study some of the other qualifications on offer in S4 to maximise their attainment***
