

ST MUNGO'S HIGH SCHOOL

P.E. DEPARTMENT

READY TO LEARN POLICY

At St Mungo's High School, we strive to create an environment where all pupils are ready to learn, are respectful and safe in all their actions.

In PE you can do this by:

1

Bringing your full PE kit to ALL LESSONS.

2

PE Kit is simple and consistent - A PLAIN white T-Shirt, dark (black) shorts or bottoms and trainers.

3

If participating in outdoor activities, pupils can bring and appropriate jumper or waterproof jacket to wear over their plain white T-Shirt.

4

If you arrive to class without any item of kit, tell your class teacher and then you will be issued with freshly laundered school PE Kit from the Leisure Attendant.

5

Remove jewellery and if you have long hair this must be tied up using a hair bobble.

Enter the changing rooms and immediately get changed. Ensure the door is closed. You have 7 minutes to get changed, find a locker and then exit the changing rooms. Report to your class teacher with any valuables (e.g. Mobile phones, Air Pods, money) to be locked away.

Attend class, give 100% effort and you will have the opportunity to receive positive referrals home or become a significant sports star!
