

DIGITAL links to support Learning at Home

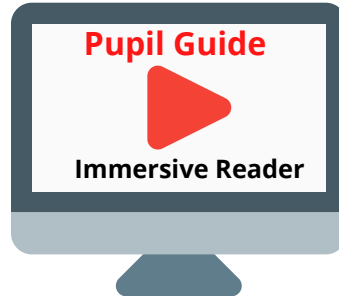

Our staff have reacted exceptionally well to these changing circumstances, having changed routines, how they teach and provide feedback to students. However, we do not underestimate the challenges that 'Learning at Home' brings for students and parents. Following feedback from staff, pupils and parents, links to support online learning at home are shown below.

Please click on the arrow to be taken to the appropriate site.

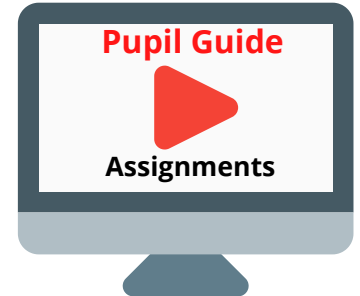

Pupil Guide to TEAMS

This short 5 minute clip summarises what TEAMS is, how to log on and access special features.

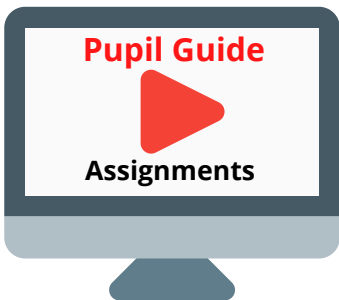

Immersive Reader

Immersive Reader supports pupils struggling with reading/comprehension and visual difficulties.
