

TRAINING

EMPLOYMENT TRAINING UNIT

The Employment Training Unit (ETU) can help Falkirk people find a job or training opportunity to progress their careers. This includes school leavers.

The Employment Training Unit (ETU) provides its services to all ages and is needs led, meaning they work with individuals to support them into employment in ways that works for them and fits their own circumstances.

The ETU will support specialist support and advice needed to move into the right job at the right time.
