

St Mungo's High School – S2 into S3 Course Choice Form 2022/23

Please discuss with your child and complete at home in preparation for your child's course choice interview.

The S2 into S3 Curriculum Booklet has been placed on the school website and emailed to parents.

Pupil name: _____ House: _____ Possible career pathway: _____

Any compulsory subjects for that pathway: _____

We are keen for our pupils to study a wide curriculum which allows them to progress in the subjects they need for possible careers as well as studying subjects which they excel in or enjoy. **All subjects are of equal value. Subjects with a * are for pupils as directed by Pastoral Staff.**

Pupils must choose a subject from each choice column by ticking next to the subject. Then please choose two reserve subjects (from any of the columns) in case your first choices are not possible due to uptake, staffing or column structure. Every effort will be made to ensure as many 'first choices' as possible are met.
