

My World of Work

SUPPORT YOUR CHILD TO FIND THE CAREER FOR THEM

1 My World of Work

- Go to the 'My World of Work' website
- Select 'Parents and carers'
- Log in/register to save your searches.

2 Support for parents and carers | My World of Work

You can then use 'Option Choices' and 'Industry areas' to support your child with course choice. You can also explore the different routes your child can take.

3 Option Choices tool | My World of Work

Select the Option Choices tool at the bottom right corner. You can choose up to 6 subjects.

4 After selecting subjects you can explore job profiles, industries and Modern Apprenticeships where the subjects you've chosen could be useful.

5 Industries | My World of Work

In 'Industry areas' you can explore industries and view all the jobs related to that industry. Use the job profiles to find out more information about each job.

6 Within the job profiles you can find out what the jobs like, the top skills, how to get in and required/useful subjects.
