Dear Parent/Carer

S4 – S6 Easter Holiday provision: Monday 11 April – Friday 15 April 2022 (inclusive)

We are running a smaller scale Easter school provision this year as there are many online supports that have been promoted to students with sign up links and timings already in their TEAMS pages. This support will be available during the second week of the Easter break (Mon 11 – Fri 15 April inclusive).

There will be **two sessions** running per day and timings are:

Session 1 **09.30am – 12:00pm****

Session 2 **1:00pm – 3:00pm**

****Interval** **10.30am – 11.00am** (*refreshments will be available*)

**** Lunch** **1:00 – 2:00pm** Please let us know in the FORM if lunch is required

These sessions provide a valuable opportunity for S4-S6 students to get extra support and guidance as they prepare for their final exams. It is an **additional** support strategy which should be used to consolidate class learning. If any student is in doubt about which session, level of study or subject to select, they should check with their subject teacher.

We are also providing quiet spaces to allow students to study if they prefer/or need a structured place to study. This is included as an option on the FORM.

Please note that pupils can only book one subject for each session and there will be a limited number of places available. As places are restricted, these might need to be filled on a first come first served basis. A full programme can also be viewed on the school's website.

Once you have discussed options with your child, the MICROSOFT FORM ([link here](#) or scan the QR code below) should be **completed by Monday 28 March** at the latest.

If students are unable to attend a session after signing up, I would be grateful if they could let me know as soon as possible.

Yours faithfully

Clare Marshall
