## RESOURCES TO SUPPORT ONLINE LEARNING 22.03.21

Dear parent/carer or student,

The school's advice is for students to follow their school timetable as much as possible, however if this is not possible, organise a routine that suits your home circumstances. Subject teachers continue to engage with students through live or recorded lessons, powerpoints with voiceover, setting work, 1:1 dialogue on TEAMS or being available at set times. Subject teachers should continue to be the first line of contact in relation to work given.

To support online learning, we have compiled a list of national resources that teachers may make reference to.

### SCHOLAR

Subjects at all levels (Nat 5, Higher & Adv. Higher)  
*Biology, Chemistry, Computing, English, Maths, Physics*  
Subjects at National 5 and/or Higher only  
*Art & Design (H), Human Biology (H), Psychology (H)*  
Subjects at Higher and/or Advanced Higher level only  
*Accounting, Business, French, Spanish*

#### SCHOLAR

Scholar is an online portal run by Heriot Watt University and provides online support and study guides for many subjects at National 5, Higher and Advanced Higher Level. A parent's section can support learning at home.
