St Mungo's High School Parent Council

Primarily the role of the Parent Council is to support the school, parents and carers of all the pupils at St Mungo's High School. We particularly welcome the involvement of parents and carers and will strive to ensure their views are heard and acted upon. Meetings take place in the Conference Room.

The main functions of the Parent Council are:

- *To promote partnership between the school, its pupils, all the parents and the Catholic Church to ensure that all the pupils develop their full potential leading to lifelong activities being guided by the Holy Spirit and the presence of Christ in the service of God and others.*
- *To work in partnership with the school to create a welcoming school which is inclusive for all parents/carers.*
- *To develop and engage in activities which support the education and welfare of all pupils.*
- *To identify and represent the views of the parents on the education provided by the school and other matters affecting the education and welfare of the pupils.*
