

P7 Transition Information for Parents and Carers June 2023 Mr. McKay

Transition to St. Mungo's HS

Dear Parents and Carers,

I hope your child is looking forward to the 2 induction days at St. Mungo's next week.

On **Monday and Tuesday 19 and 20 June** the children should arrive at the school for 09.15am and they will finish at 2.15pm. Please remember that **we are not providing transport** to and from St. Mungo's.

When I wrote to you in May, I thought that the iPay Impact system would not be working, however, I have been informed that it is now working and you can pay for lunches and snacks using our online system. Please remember when signing in to iPay Impact to select St. Mungo's when making the payment as the Primary School account will not work in our building.

For the Transition Days:

- All pupils should arrive at St. Mungo's wearing their primary school uniform.
- Absolutely no football clothing should be worn.
- For those who receive free school meals, the Primary Headteachers will be providing me with the names of those pupils to ensure that they receive their lunch during both days of transition. Also, please feel free to send your child to school with a packed lunch, if that is their preferred option.
- Please do not send your child to St. Mungo's with any product that contains nuts.
- Please ensure that your child has a pair of trainers with them.

I look forward to meeting you again on **Monday 19 June** for our parents and carers evening which starts at 6.00pm and it will finish no later than 7.30pm. You will have the opportunity to attend some taster lessons across some of the faculties so that you can get an experience of learning and teaching in St. Mungo's.

I will make myself available on the night to answer any questions.

Kind regards,

Stuart McKay

**St Mungo's
High School**

Stuart McKay, Depute Headteacher
