Instructions:

Please use this form to discuss subject choices for S4, so that your child/ren have the information to complete the online FORM which will be completed during an upcoming PSE lesson. Documentation to support subject choice at home will be available on the school website under the 'PATHWAY' section.

Students should ensure they use the advice given to complete the form correctly and should consult PROGRESS for their recommended level of study.

Key websites which are recommended for use during the course choice process are [My World of Work](#) and [Planit Plus](#)

Notes:

1. Students will continue to **study 7 subjects** (in greater depth) from the eight subjects they **currently** study in Third Year. English and Maths/Applications of Maths are compulsory and will continue to be studied in Fourth Year. Maths/Applications and English are already numbered 1 & 2 (below).
2. Please note that some students may be invited by their pastoral teacher to choose a new subject for S4 such as Care, SCOTS (FV College), Personal Development, Outdoor Education or other targeted college courses if these subjects suit their chosen pathway. Contact will be made with relevant parents/carers in due course if applicable. Students can indicate on the form if they are interested in being considered for some of those subjects.

Instructions

- ➡ Your form (below) is pre-populated with English and Maths as your 1st and 2nd choice as these are compulsory subjects
- ➡ Rank your other 6 subjects in **order of preference** (from 3 - 8) in the peach column. 3 is your most preferred and 8 is your least favoured subject
- ➡ Choices 1-7 are your seven preferred subjects and **choice 8 is your reserve subject**** which you will no longer study
- ➡ **Optional:** Please indicate on the form if you would like to be considered for any of the new courses in S4? These courses are Care, Outdoor Education, SCOTS (College) and Personal Development. **These courses will have limited capacity** and are **not** guaranteed.
